Featured Agent

From Opening Day to Open Houses! Paul Noce

Realtor®

This month's featured agent is Paul Noce of the Noce Team. Paul has an extensive professional and collegiate baseball career spanning 41 years!

Paul grew up in California where you can play baseball all year round. With his Dad as a college baseball coach, Paul grew up playing the game with other community members of all ages. After graduating from high school, he was drafted by the San Diego Padres, but instead of signing then, he went to Washington State University. However, after his junior year of college, Paul was drafted again by the San Diego Padres. He was there for three years and then he was traded to the Chicago Cubs! After four years there, he was then traded to the Montreal Expos.

Traveling throughout the United States with his wife Diane and children, Paul had also signed with the Cleveland Indians, Seattle Mariners, Cincinnati Reds, and then went back and played for the San Francisco Giants.

The early 90's started Paul's career in coaching with the Pittsburgh Pirates and then he went on to coach at Hillsdale College for 20 years! Currently, Paul is the manager of a professional independent league in Macomb County. Throughout Paul's baseball career, he valued the many relationships he established along the way. To this day, he is still in contact with many of them.

While attending a baseball game at Siena Heights University, Paul met Bob Fox. Bob Fox started an interest in becoming a realtor. With the help and support of his wife Diane, Paul was able to become a Realtor and The Noce Team was created. Together, they had their first Open House on Devil's Lake!

Traveling around the United States both Paul and Diane established a commitment to diversity and community engagement. They were Youth Leaders at Bethany Assembly of God for over 20 years and are now attending and serving at New Life in Adrian, MI. The Noce Team feels blessed to have established generational clients through the love of baseball and community!
